Agriculture	10	Allied Health	7	Arts	38	Dentistry	4	Engineering	21
Medicine	18	Science	28	Special Needs	13	Veterinary	3		

"I'm Sewwandi, undergraduate of Faculty of Science, University of Peradeniya. I got your sponsorship through Alumni Association. It's so helpful to me. I would like to thank you for your kind heart to help people like us. Even without personally knowing who i am you/victoria chapter helped me to overcome my hardships. You wont ever regret that donation and i will use them for a fruitful future..."

"I am Sinthuja Kopalikirushnan from Faculty of Engineering, University of Peradeniya. And I am a third year student of Computer Engineering department. I obtained the Alumini Association University of Peradeniya (AAUP) Studentship from you. I would be so much thankful for you forever. It is my pleasure to get a great chance to conduct you through mail. I am from an uncleared area of Batticaloa and also I affected by the war in 2007. My family lost all belongings due this war. My father is a farmer and my mother is a house wife"

money for my fathers' medications. I have two brothers and"

"I'm Sajith from University of Peradeniya, faculty of Allied Health Sciences (AHS). I follow Physiotherapy degree programme in my faculty. I'm from Gampaha district. Your scholarship is very important to me, because my father is suffering with a coronary heart disease. Every month our family has to spend lot of

"I'm a medical student studying in first academic year. I was extremely overjoyed when I saw the e mail that I have choosen for a studentship. I have no words how to thank you. As the elder child of the family I have a responsibility to help my parents .Therefore I started to do tution classes. But it was a barrier for my studies I again & again thankful for you to helping me"

"I'm S.R.S.D Senanayaka. I'm soo happy to be given your studentship in this kind of difficult perrioud to continue my studies. Even my parents are not able to earn some money for me in this situation because of both their diseases. My father is a pacient since 13 years. I promise by my heart to join with u after graduated as an engineer....."

"I am Nimmi Thushari Nawarathan . Just a quick note to thank you for the cooperation which is giving me. It is very big help for my education. becaus I am a students who has come from poor family. As well as my father is getting ill in these days. In that situation your kind contribution is super power for me. because I have so many fainancial difficulties .."
